### **Songtext "Do it now!"**

*We need to wake up  
We need to wise up  
We need to open our eyes  
And do it now now now  
We need to build a better future  
And we need to start right now  
We're on a planet  
That has a problem  
We've got to solve it, get involved  
And do it now now now  
We need to build a better future  
And we need to start right now.*

*Make it greener  
Make it cleaner  
Make it last, make it fast  
and do it now now now  
We need to build a better future  
And we need to start right now  
No point in waiting  
Or hesitating  
We must get wise, take no more lies  
And do it now now now  
We need to build a better future  
And we need to start right now*

**Power to the people, people got the power,  
tell me can you feel it. Getting stronger by  
the hour. Power. Power. People.  
People got the power.**

*Rooted as a tree. Solid as a rock. We are  
here standing strong, in a rightful place.*

*Wir geh'u auf die Strasse und rufen alle auf:  
Rettet das Klima soust geh'u wir alle drauf.*

**PLUS CHAUD, PLUS CHAUD, PLUS CHAUD QUE LE CLIMAT!**
